

The Palmer Academy Newsletter

Issue 16 | Friday 25th November 2016  Follow us on Twitter @R2PalmerAcademy

This week's Newsletter has been produced and edited by Aglaya and, for the final time, by Iman in Year 6

Children in Need Superhero Day – Iman & Aglaya

Thank you to everyone who joined in on superhero day and dressed up as a superhero to raise money for Children in Need. We raised £323.51.

Year 5 trip to Winchester Science Museum – Zammar

that we could explore the museum in our groups and we should stay with our teachers until 1.00 pm when we had lunch. After lunch we went into the planetarium and saw a show about space and how it worked. IT WAS ABSOLUTELY AMAZING!

A lady took us to the lunch hall and told us

Thank you and good bye! – Iman

I will really miss The Palmer Academy and everyone who helped me learn including Miss Davies and Miss Hand – thank you so much every other teacher in the school. Also Mr Prendergast who has been such a pleasure to help with the newsletter. I WILL MISS YOU ALL A LOT! THANKS TO YOU ALL!

Learning around the school – Aglaya

The amazing Year 6 have been working on the extremely challenging topic of fractions (converting mixed numbers into improper fractions, adding and subtracting fractions etc). Year 5 are learning about stars and are really trying hard to learn their times tables. Well you must be wondering about Year 4 – they are doing lots of work on the yellow submarine and have been making their very own as well. There is

loads of great learning going on around the school, catch up on some more highlights on Twitter!

Choir perform at The Hexagon – Aglaya

It was so nice to perform at the hexagon in front of other school and in our opinion we thought that we were absolutely majestic! We were so loud and we were shining like Stars!

Tag Rugby Competition – Emmanuel

Just before we went we did some skill training to get prepared. Then we went to the school we were going to be playing at and separated into teams of 9 and then played against the other teams. It was very fun and exciting and I hope I could do it again.

Year 4 Binch Class Assembly – Kendra and Priya

In our class assembly we all tried really hard to learn our lines. Also we also practiced for weeks and we finally did it.

We learnt our play and performed in front of the other class.

Parents Evening & Raffle Winner – Mr Prendergast

Thank you to all the parents that attended the parents evening and tasting the food and discussing your child's progress. If you could not attend please make an appointment to see your child's class teacher during the next two weeks.

Thank you also for completing our questionnaire, the results of which will be shared with you in due course. The raffle winner, who wins a £30 Morrisons voucher, is ticket number 46. You have received a text message to let you know so please collect your prize!

Remembrance day –

Remembrance day was marked by everyone at school. We gathered for our annual Remembrance service. It was filled with gratitude towards the soldiers that had fought for us and it was one of the most dramatically thoughtful days.

Healthy Snacks and Lunches – Omar and Josh B.

There is so much going on inside and outside the school! Healthy and fresh comes straight out of the kitchen. Everyone is really trying hard to bring in some healthy food. Please can we ensure that all the children bring in healthy snacks like fruit, raisins and anything low in sugar (and not crisps, cake etc.). Thanks

JMA football tournament – Archie

The JMA tournament went really well and it was spectacular to be there. We played lots of football and practiced our skills. I want to go there again because it was fantastic and just amazing!

Year 2 – Michael

I made a lego building with a blocks and it was so fun learning around the school. School is so fun and I love projects like making stuff.

Notices

- **All Parents:** Please can you ensure that you do not allow your children to play on the equipment at the start and the end of the school day. Thank you.
