A visit by the author David Lucas – *Miss S Davies, Miss Druce & Miss Caldwell*

We had a visit by the author David Lucas who has written and illustrated many children's books. All the children listened to David tell one of his most popular stories and then follow some simple steps to illustrate and bring the story to life. At the end of the day he signed books and posed for pictures. Look out for his books in the book shops!

Year 6 Class Assembly – *Mrs Berry & Miss Hand*

Year 6 told the story of Kensuke's Kingdom through drama and role play at our first class assembly performed to pupils and parents. Thank you to all the parents who came to watch and support the children.

World Book Day 2016 –

Characters from across fiction came alive at TPA on Thursday, well done to all the pupils and staff for making such a superb effort! See the school website for a full gallery of pictures.

Year 5 publish their Dragonology books! – *Mrs Pickett-Jones & Miss E Davies*

The children created imaginative information texts all about some of the local Whitley dragons. These have been published in beautifully bound books and will be on display for your viewing at parents' evenings next week. Well done Year 5 for using their brilliant imaginations and taking such care when presenting the final piece!

Eggs and chicks in EYFS – *Miss Harriss & Miss Kershaw*

Pupils in Nursery and Reception have been caring for some special visitors. Eggs have been hatching and chicks opening their eyes to the world for the first time. There were great observations from everyone. Amaan said: "We stroked the chicks and they were fluffy and cute."

Terracotta warriors from the Shang Dynasty – *Mrs Pickett-Jones & Miss E Davies*

Pupils in Year 5 have been studying the Shang Dynasty and have created terracotta warriors out of clay. They look very similar to the real warriors and could almost come alive! The children are now in the process of painting them. The final pieces will be put on show around the school for all to see so keep your eyes peeled!

An Arts Quest for Year 4 – *Miss Kershaw*

Last Thursday (25th February) some of the children from year 4 were lucky enough to take part in the Great Arts Quest. They were invited to Reading Museum by Children and the Arts to take part in a workshop with a story teller and artist. The children thoroughly enjoyed the workshop and are excited to continue the project next week when the artist and story teller visit the school.

Mr Thomas reports: the children were able to take part in drama sessions and create clay boats as part of an incredibly interesting afternoon! The organisers were overwhelmed by the enthusiasm of the children (and staff!) and will now work with the children in school in a few weeks' time. In addition, the boats the children created will be on display at the museum in the coming weeks and months- more details to follow when we have them!

Healthy body, healthy mind! – Mr Prendergast

Key Stage 1 pupils were visited by James, the development chef for our caterer, Chartwells. He taught them all about how to live a healthy lifestyle by having five portions of fruit and vegetables a day, healthy portions, the importance of regular exercise and eating healthily for energy. The children had a go at making and tasting healthy smoothies.
