Spring Term House Points Winner

Congratulations to Anning for winning the House Points total for the end of the Spring term. Anning enjoyed their rewards afternoon last week, which included some taster sessions from a golf professional. Here are some of our Reception pupils enjoying their activities:

The Palmer Academy PE – Spring Term Report

Mini Mudder

On Thursday 17th March 2016 the Palmer Academy pupils descended on the school field for Mini Mudder. The course consisted of 6 obstacles from the slippery slide to the tunnels of terror which were filled with mud.

Every child had the opportunity to complete the course with their class and then again after school with their friends and family.

It was an amazing experience which allowed the children to try out new physical challenges with many of them achieving personal goals.

The school raised £405 which is the most the school has raised for a charity event. To see pictures of the event, see the display in the school hall.
